(b) whether the Government has conducted any study/research in this regard;

(c) if so, the details and the outcome thereof; and

(d) the corrective measures taken/ proposed to be taken by the Government in this regard?

Answer

ANSWER
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND
FAMILY WELFARE
(SHRI SHRIPAD YESSO NAIK)

(a) to (d): There has been no research studies done to study hereditary disease in the people in the coastal areas of the country.

Health is a State subject. The Central Government augments the efforts of the State Government in providing comprehensive healthcare including those for hereditary disease.
